

## NASMM Marketplace Program Updates

**NASMM is pleased to provide you with the following business solutions.** To access more information on any of the programs highlighted below, log into your "MyNASMM" account and go to the Business Solutions section and click on NASMM Marketplace.

### **Are Your Irreplaceable Documents Safe? Learn to protect them with ComDoc!**

Have you ever considered what would happen if you lost all of your irreplaceable documents in a flood or fire? The NASMM Managed Print Services Program offers Document Management Services to equip organizations with a disaster recovery plan for those irreplaceable documents. Through a partnership with Global Imaging Systems/Xerox, NASMM members may digitize all of their important documents with an affordable Enterprise Content Management (ECM) software solution.

While most never consider a recovery plan for their files, the reality is that no matter the circumstance, you are responsible for the keeping of any public records in your possession and by law, must be able to present them upon request.

Document Management allows you to digitally store, organize and share your organization's documents with an affordable, easy Enterprise Content Management (ECM) software solution. This solution will streamline the flow of information in your business by capturing, managing, sharing and protecting your paper and digital content in one central location.

The features include collaboration, version control, document check-in/out, threaded discussions, audit and screen capture, information lookup, content submission via email, and high-performance imaging.

- Secure access to documents from any location, 24/7
- Upgrades and expanded use with scalability features to add more users and store more content
- Easy-to-deploy, requiring little to no IT support and no additional hardware or software
- Intuitive web-based interface requires little to no training

## **Don't Wait Until It's Too Late, Protect Your Identity with LifeLock**

In the past six years alone, over 70 million United States consumers have fallen victim to identity theft losing approximately \$107 billion dollars. Have you taken the necessary steps to ensure your identity is protected? If not, now is the time to do so. The NASMM Identity Theft Protection Program with LifeLock grants you five points of protection at an unbeatable price. Why not give yourself peace of mind knowing that your credit and financial health are not at risk?

According to the 2017 Identity Fraud Study released by Javelin Strategy and Research, \$16 billion was stolen from 15.4 million United States consumers in 2016 alone. In 2015, \$15.3 billion was stolen from 13.1 million United States consumers, and in the past six years, \$107 billion. Is your identity safe?

If not, the NASMM Identity Theft Protection program can help you. The program helps safeguard the credit and financial health of your employees at an aggressively discounted rate.

The program offers five points of protection:

- **Monitoring Your Identity** – As soon as you complete your enrollment in LifeLock identity theft protection, LifeLock immediately begins monitoring for threats against your identity information
- **Scanning for Threats with Patented Technology** – LifeLock uses its patented LifeLock Identity Alert system to constantly scan over a trillion data points to help protect you from identity fraud
- **Responding to Identity Theft** – LifeLock identity theft protection services alert you by text, phone, email, or mobile app when LifeLock detects a threat
- **Trust LifeLock's Service Guarantee** – When you become a LifeLock member, you're immediately backed by LifeLock's \$1 Million Service Guarantee. Plus you'll have access to LifeLock's U.S. based Member Services agents 24 hours a day, 7 days a week, 365 days a year
- **Tracking Your Credit Score** – LifeLock Credit Score Manager provides important safeguards for monitoring and helping you maintain your credit score. More than just free annual credit reports, LifeLock monitors all three major credit bureaus daily and notifies you of any changes in your credit report
